★★★★★ At an emotional time, Marie was very understanding and supportive. She couldn't have done more to help us when we realised that we had a situation we didn't know how to deal with. Marie remained calm and assured me all would be ok and helped me through step by step. I would wholeheartedly recommend the services of SouthWest Cremations.

★★★★★ From the initial inquiry to the end, southwest cremations have been brilliant. Marie who was our main contact was absolutely lovely and took care of our needs. Will recommend 100% and will use again but hopefully not too soon.
